

Workforce Education Opportunities

Tucked away beside the sparkling waters of the Gulf of Mexico, the Citrus Campus of CFCC offers a warm, personal atmosphere while preserving the academic excellence of CFCC. CFCC Citrus offers a variety of academic programs and support services to its students and strives to serve and improve the community around it.

Withlacoochee Technical Institute is fully accredited by the Commission on Occupational Education.

Our Location

WTI is located at 1201 W. Main St., Inverness, Fla. We are easily accessible to the counties that surround Citrus, such as: Hernando, Marion, and Sumter counties.

Our Mission

To prepare students, who believe that learning is a lifelong process, to be literate, informed, responsible, productive members of today's society.

Equity Statement

All programs at the Withlacoochee Technical Institute are in compliance with the Title VI of the Civil Rights Act of 1964 and there is no discrimination on the basis of race, national origin, religion, sex, marital status, or handicap. This is also in compliance with the provisions of Title IX of the Educational Amendments of 1976 which prohibits discrimination on the basis of sex.

Technology Statement

Withlacoochee Technical Institute believes that technological skills are mandatory and prevailing in future job markets. WTI has included technologically-related goals, and realizes the need to provide up-to-date trade related technology and the latest instructional and job-related technology. CLM WORKFORCE

Increase your profitability -- develop a well-trained workforce

The One-Stop Workforce Connection can save you time and help defray your costs to build a workforce with the skills you need. Training can take place at your location, the One-Stop office or a training institution of your choice.

Share the costs

We can cover part of your costs, and up to one-half of the employees' wages. We provide:

- On-the-job training
- Effective occupational training helps your business retain new employees
- Grow your own talent
- Raise current employees to a better job and better wage within your company
- Flexible and customized
- Responds to your business objectives
- Remain competitive
- Skills upgrade training for existing full-time employees

Learn more about state training programs, such as Quick Response Training and Incumbent Worker Training [here](#).

You can apply for money to train your workers.
